Virtual Activities at the Festival

Summer College inaugurates its own sector of **Virtual Masterclasses, Seminars and Conferences**, with the **greatest Musicians and Teachers** with web connection from all over the world. Everything will be done through the **mfClassroom** platform with the best technological standards for audio and video transmission dedicated to classical music. It will be possible to **join the remote services** both for residents in Trevi during Summer College and for non-resident people who decide to participate to the activities from their own home.
